ELIGIBILITY AND PAYROLL

EMPLOYEE BENEFITS ELIGIBILITY

POLICY 500

Applies to full-time regular and/or part-time regular employees as defined in Policy 503.05- Employment Categories and Classifications. Statutory benefits apply to all employees.

FULL-TIME REGULAR EMPLOYEE

PROCEDURE 503.05

A Full-Time Regular Employee works an average of at least 30 service hours per week or 130 service hours per month and is employed on an annual schedule of at least nine months with the reasonable expectation of recurring employment. A full-time schedule of less than 40 hours per week must be approved by the President.

PAYROLL DEDUCTIONS

PROCEDURE 503.03

Payroll deductions for the NC State Teacher's and State Employees' Retirement and group life insurance through Unum are always deducted from the first paycheck, regardless of start date. Deductions for employee elected benefits are generally deducted the following month, giving the employee time to make their new hire enrollment selections. The premium deductions for Medical are paid a month prior to the coverage effective date, so in some instances a double deduction is required from the paycheck. This double deduction must be paid-in-full to ensure no lapse in coverage.

INITIAL ENROLLMENT

The Benefits Team in Human Resources will reach out to all new hires within their first week of hire with an email for enrollment in all benefits.

ANNUAL OPEN ENROLLMENT

Most changes can only be made during Annual Open Enrollment (OE) or due to a Qualifying Life Event (QLE). All changes must be made within 30 days of the Event. Please contact the Benefits Team in Human Resources for questions regarding Qualifying Life Events.

FLEX SPENDING ACCOUNTS

AMERIFLEX

Employees may elect to contribute to a Health Flexible Spending Account (FSA) or a Dependent Care Account (DCA). Coverage begins the 1st day of the month following the hire date into a benefit eligible position. You will receive your flex spending card in seven to ten business days after your enrollment. You may pay for your expenses out of pocket and apply for reimbursement out of your account, or you may use the AmeriFlex Convenience Card (used like a credit card) for qualified expenses per the IRS guidelines.

Health Flexible Spending Account (FSA):

If you participate in the FSA plan, you will elect to have a specified amount (up to \$3,050 annually for 2024) of “pre-tax” money deducted from your paycheck each pay period. These funds are subtracted from your gross earnings before taxes and put into a Flexible Spending Account that you can then use to pay for eligible out-of-pocket medical expenses. The IRS determines what expenses are eligible for reimbursement under the medical FSA. Information regarding the rules and regulations of the FSA may be found in the **Department of Treasury’s IRS Publication 969**. If you do not use all of the funds that you have contributed to your account by the end of the Benefits Year (December 31st) then only \$610 will roll into the new benefits plan year.

Dependent Care Account (DCA):

With a DCA, you set aside pre-tax payroll deductions (up to \$5,000 annually) to reimburse the expenses associated with day care for your qualified dependents. The care for the dependent must enable you and your spouse to be employed, the child must be under the age of 13, and the amount reimbursed must not be greater than you or your spouse's income. Information regarding the rules and regulations of the DCA may be found in the **Department of Treasury’s IRS Publication 503**.
